

Eagles and eaglets wrapped up the school year with the virtue, **COURAGE**. We all need to have courage to take us to what's next! Students listened to Pete the Cat: Sir Pete the Brave. After a short discussion about courage the Eagles and Eaglets came up with their own super heroes! Once they were done using their imagination the Eaglets were surprised to find that super heroes are among us each and every day! They worked together to color pictures of our everyday heroes... nurses, doctors, police officers, farmers, fire fighters, and teachers...just to name a few! Thank you, Eagles, for a great year!
