4K and 2nd Grade

with

Collaboration

Friends

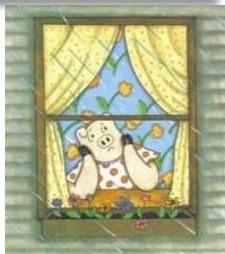

The 4K and 2nd grade students listened to the story "I Like Me" which helps to teach students to feel good about themselves in a very simple way...enjoy yourself, take good care of yourself, and cheer yourself up when you are feeling down. Students then worked together with a friend to collaboratively draw chalk portraits celebrating life.

i ♥ me

When I feel bad,

I cheer myself up.
