

The 4K and Grade 2 students spent their Friday afternoon enjoying the story *In Like a Lion... Out Like a Lamb*. We talked about how, although it is winter, we have been blessed with many lamb-like weather days. After story-time, students partnered up and had fun making lions and lambs to welcome March.

"March comes with a roar. He rattles your windows and scratches at your door."

"Come all you babies, just hear March sing. B-a-a-a! she says. B-a-a-a! and B-a-a-a! again."

"It's Spring!" Ah chool!"
