

There is nothing more important than parents passing on a generational legacy of faith and values to their children.

James Dobson

Faith

GRANDPARENTS
are like the wisdom of the family...
- Pope Francis

Grandparents
are there to help the
child
get into
mischievous
they haven't thought of yet.

Grandmas
HOLD OUR TINY HANDS FOR
JUST A LITTLE WHILE,
BUT OUR
HEARTS forever

Grandparents
are a delightful blend of
Laughter,
Caring deeds,
Wonderful stories,
and Love!
