The Resounding Impact of a Grandparent

When a grandparent becomes a mentor to a grandchild, they are essentially discipling. And when you disciple, you hand down your faith not to just that generation, but to potentially two, three, or even more.

Grandpa Tells Good Stories

Grandpa tells good stories, of things so long ago,
 There's so much that grandpa has done, and much he seems to know.
 He gives me hugs and tells me that he is very proud of me.
 I hug him back and tell him he's the best grandpa to be.

Grandparents

When God created grandparents,
the world was truly blessed
with all the special joys
that make a family happiest.

For grandparents know how to do the
little things that warm our heart...
they touch our lives with love and care
right from the very start...

They show that they believe in us
and all we're dreaming of...
When God created grandparents,
he blessed our lives with love...
