 - Book Sale

Dear Parents,

PST conferences will be done virtually this year. This means either Google Meets or a phone call. If you prefer a phone call, please contact the teacher(s) you are having a conference with and indicate you would prefer a phone call and what phone number they should use. If you have signed up and want a phone conference or if you have not signed up for a conference yet, please do this by the end of the day tomorrow. Teachers will then set up Google Meets for those that do not want phone calls; those parents will receive an email notification with the needed Google Meet link. This link works on any device but you will need Internet access. PST conferences are next Thursday, November 12<sup>th</sup>. The following is a review on how to sign up via Sycamore:

1. Log into Sycamore
2. Click on My School on the left side
3. Under My School, select my P/T Conferences
4. Select your student from the drop down and then click on any available green box for the teacher(s) you would like to see. You do not need to sign up for each teacher listed, just your child's homeroom teacher, you can optionally sign up for additional teachers (see below). You will be able to sign up for conferences for each of your students. Once you confirm the time, you will need to contact St. Mary's if you need to change it.
