  - STAR testing

**PLEASE NOTE...**

Dear Parents,

Quarter 3 midterms for grades 5 – 8 are coming home in folders today. P-S-T conferences are this Thursday, March 4<sup>th</sup>, between 3 and 6. These are optional, by request only conferences. Parents' ability to sign up for these conferences will close at 7 PM tomorrow. For those that have signed up, the teachers will be emailing you a Google Meet invite if they have not already.

The following is a review on how to sign up via Sycamore:

1. Log into Sycamore
2. Click on My School on the left side.
3. Under My School, select my P/T Conferences
4. Select your student from the drop down and then click on any available green box for the teacher(s) you would like to see. You do not need to sign up for each teacher listed, just your HR teacher, you can optionally sign up for additional teachers (See below). You will be able to sign up for conferences for each of your students. Once you confirm the time, you will need to contact St. Mary's if you need to change it

This month, we will have a fitness challenge similar to the one we had in January. The students did well with the last one, averaging over 1,000 minutes of physical activity per student in January. The sheets to keep track have been handed out and should be handed back to homeroom teachers by Wednesday, April 7<sup>th</sup>, after Easter break.

*Continued...*

We had a contest for the brochure we will use when giving tours or promoting the school. There were many creative entries with good information. Thus instead of one entry winning, we combined several into one, final brochure. The final brochure is a combination of the following people's entries: Maddy Blume, Mrs. Borchardt, Anika Kolka, Mrs. Lang, Kiley Mader, Sara Marek, a Hailey Martin/Mayven Schneider collaboration and Reghan Martin.

We start round 4 of STAR testing at the end of this week. Please encourage your children to do the best they can on these as this is one way we determine progress, especially in reading and math. You will receive the results of these tests when you receive third quarter report cards at the end of the month.
