Dear Parents,

Report cards will be sent home tomorrow. In looking at the grades, the students did quite well again this quarter. Third quarter was a little more like a regular year compared to the first two and the students continue to do a nice job adapting.

Thank you for your donations to the Mite Box collection. The donation amount was much higher than previous years. This may be due in part to not having our Mission Carnival this year but, regardless, we appreciate your generosity. The total amount raised was over \$2,000 with our 4K winning our generosity award, as they collected the most donations. The Mite Box program is an outreach of the Missionary Childhood Association (MCA), one of the Pontifical Mission Societies represented in the Mission Office. We dedicate funds to MCA for our sister parish in Bolivia and Casa Hogar Juan Pablo II orphanage.

Reminder that starting today, there will be one bus route only so there will no longer be a 2:20 pick-up for the rest of the year. The morning pick-up time and bus numbers for every day will be the same as what they were on MTRF. The only exceptions will be April 16 and May 21; those days will have the St. Mary's students only, one route bus schedule. Reminders will be sent closer to those days.

Our March fitness challenge ends this Wednesday. The fitness challenge forms can be handed in to homeroom teachers after we return from Easter break, on Tuesday, April 6th.
