St. Mary's Community:

Mrs. Tousignant has notified St. Mary's that her husband and her are moving closer to her husband's family and home. We thank Mrs. Tousignant for her time here and welcome Mrs. Kulas who has a bachelor's in education and has previously taught at St. John's and in Athens and Colby.

Hilary Hummer, Pam Kangas and Anita Martin will be our aftercare supervisors with Lucy Hahn coming back for a second year as aftercare student assistant. Thank you to all four as aftercare is helpful for our families that work after the school day ends and can't provide supervision for their children at that time.

We are also looking forward to seeing all of you on the 30th. The times to meet the teachers, drop off supplies and take pictures is from noon – 8 on that day.

Sincerely,

Mr. Koch
Principal
