

Non-profit organizations like St. Mary's benefit from the generosity of major corporations and local merchants. SCRIP is different from other fundraisers because the participants do not buy or sell anything "extra".

How does SCRIP work?

Through the SCRIP program, St. Mary's buys certificates and debit cards at a discount and then sells them to you at face value. Our profit is the difference between the price St. Mary's paid and the face value you paid. For example, St. Mary's buys an Applebees gift card for \$23.00 and sells it to you for \$25. A profit of \$2.00 is realized.

What happens to the profit?

The profit from SCRIP will be used for various needs and updates for the school and parish through the year.

Frequently Asked Questions

Who can purchase SCRIP?

Anyone may purchase SCRIP from us...whether they are members of St. Mary's or not.

Where can I purchase SCRIP?

In the school office from 7:30 AM – 3:00 PM and after weekend Liturgies in the Bride's Room of the church.

How much will it cost me?

SCRIP does **not** cost you extra money from your budget, just a little bit of planning. If you were going to spend \$100 at County Market for groceries this week, just stop by the school and purchase \$100 in County Market gift cards and you've just helped the school earn a profit of \$3.

Is SCRIP easy to use?

Yes!!! If you can use a gift certificate, you can use SCRIP!

Does SCRIP really help?

YES!

DID YOU KNOW....?

- ❖ SCRIP can be used to make payments of your Kohl's charge accounts. Payment must be taken to the local office.
- ❖ SCRIP from Fleet Farm may also be used to purchase gas at those locations.
- ❖ School families may purchase enough SCRIP to equal \$50 in profits and waive the General Fee or receive a refund if you've already paid it. Also, your friends and family may purchase SCRIP on their behalf and it will be credited toward their fee.

Please take a look at the back of this brochure. We have many stores, restaurants, gas stations and other types of SCRIP to choose from.

There are other merchants who participate but are not listed. If you're wondering if we can order it or if you have any other questions, please feel free to call the school office at 715-443-3430 and we'll answer your questions.
