*O Come,
Let us Adore the Lord!*

Dear Friends,

The *Seraphic Adorers of the Child Jesus* is a new community of contemplative women in the Diocese of La Crosse, founded on the Solemnity of the Immaculate Conception 2018, whose members are dedicated to Adoration of our Eucharistic King. We believe that the Holy Spirit is inspiring a new expression of community life that gives witness to a life that is centered on Jesus in the Eucharist, bound by familial charity, simplicity and joy, while promoting adoration of the Holy Eucharist together with devotion to the Child Jesus among the faithful.

Many times we have been asked what kind of work we do. When we answer that we are adorers of the Most Blessed Sacrament -that we PRAY, we sometimes see a lack of enthusiasm, as they feel that we should be teaching or caring for the sick. But the contemplatives are the HEART of the Church, which gives the power of love and fidelity to the other members through their continual prayer and sacrifice.

St. Therese of the Child Jesus, who is the Patroness of Missionaries was a Carmelite nun who never left her monastery. She explained it this way: ❤️ *LOVE appeared to me to be the hinge for my vocation. I knew that the Church had a body composed of various members, but in this body the necessary and more noble member was not lacking; I knew that the Church had a heart and that such a heart appeared to be aflame with love. I knew that one love drove the members of the Church to action, that if this love were extinguished, the apostles would have proclaimed the Gospel no longer, the martyrs would have shed their blood no more.*

The sisters pray and sacrifice for the Church throughout the world and particularly for the Diocese of La Crosse. This includes the intentions of the Holy Father, all clergy and religious, civil servants, the missions and works of the Church, benefactors, all the faithful departed, and the daily intentions recommended to them.

Chapels of adoration are not mere refuges for the devout. They are the radiant, pulsating centers of a powerful divine activity, which is intensely apostolic and supernaturally efficacious.

As we move forward in this new mission for our Eucharistic Lord, we would appreciate any support and assistance to further His work.

May the Divine Child Jesus fill your heart with Joy!
