In grades 6 - 8, 41 students responded to the survey.

Teachers in grades 6 - 8 met August 25, 2022 to discuss and provide analysis.

3. Need to make a stronger connection with the purpose of service projects, There's a lot of service projects that we do but if they don't see the people or understand the project, they might not realize what is being done.

10. Three parts to the question, so would need to know which of the three (or all three) they disagreed with.

11. Evaluate classes to make sure the connection to religion is being made.

14. Never? How would one person never see an example of our school working together,

17. If religion classes aren't seen as a priority then staff need to emphasize the importance of the class.

18. Similar to 11.

22. Kids in the middle may be getting overlooked. For example, doing well in school, no behavior or social problems, may be forgotten.

23. Possibly didn't understand question?, should've said based on the teachings of Jesus

24. Concerning that so many said sometimes. Similar to 22, help make connections with others including lunch, recess and extra help.
