12:45 – 1:30	Grade 2
1:30 – 2:15	Grade 1

- - - -Clip and save top portion...Return bottom to office- - -

I give permission for my child/children to take swimming lessons. (In addition to the 2 weeks of lessons, the opportunity may come up at different times throughout the year for the students to go swimming and I also give permission for those trips.) A note from a doctor is necessary for a child to be excused from swimming, as it is a part of the physical education program. Please return by Tuesday, September 5, 2023.
