

ST. MARY'S SCHOOL

MARATHON WI

The Eagle

We continue to build on faith by Catholic Education since 1873. The heritage of faith is passed on from one generation to another. It is the sacrificial commitment to St. Mary's School and Parish that makes Catholic education possible. We have the blessings of faith that must not be taken for granted. May our parish children and families continue to build on the faith of past generations. St. Mary's School provides a religious environment, so that a student may be prepared spiritually, intellectually, and socially to meet the needs of society as a responsible Christian adult.

We continue to have our Can-a-Week Food Drive. Families donate non-perishable food items throughout the school year. These items are packed up and delivered to the Marathon/Edgar/Athens area Circle of Joy several times throughout the school year.
