TUITION PAYMENT POLICY FOR NON-PARISH MEMBERS
4 YEAR KINDERGARTEN – GRADE 8

St. Mary's School relies upon the book bill and fees for a substantial portion of the budget to operate an excellent spiritual and educational program. Parish families are also expected to contribute to the school/parish through their weekly envelopes. Since you are not a parish member, you will pay tuition and we ask that you pay this at the beginning of the school year. If family financial circumstances are such that making payments throughout the year would be less of a financial strain on your family, then you may make payments throughout the year as your budget allows. We ask that your tuition is paid in full by May 18, 2018.

If your tuition is not paid by May 18th you need to contact the principal for an alternate plan of payment. Families with account balances that do not have an alternate plan for payment approved by principal shall receive written notification that their account is past due with a copy of this policy. Additionally,

- 1) Pastor will be informed of your family account balance and activity.
- 2) Students will not be registered to return for the following academic year until the balance is paid in full or an acceptable alternate plan for payment is in place.

Families who are experiencing an emergency financial situation are encouraged to contact pastor for an alternate plan.
